TRAINING OF TRAINERS ON SIMULATION BASED TRAINING

National Reference Simulation Centre (NRSC) :

The NRSC was established in October 2018 by Tetra Partite collaboration between Indian Nursing Council (INC), Jhpiego, Laerdal and SGT University with the vision of implementing inter-professional education in the State of the Art simulation centre through simulation based education. It has been developed to support the clinical parts of all the 4 years of B.Sc Nursing curriculum- Nursing Foundation, Medical Surging I and II, Child Health Nursing, OBG Nursing and parts of the Community Health Nursing.

**Building
competency**

**Expose
students to
live patients**

**Provide
maximum
exposure**

Challenge

**Students make
mistakes
while learning
Risk to the
patient**

Simulation Based Education:

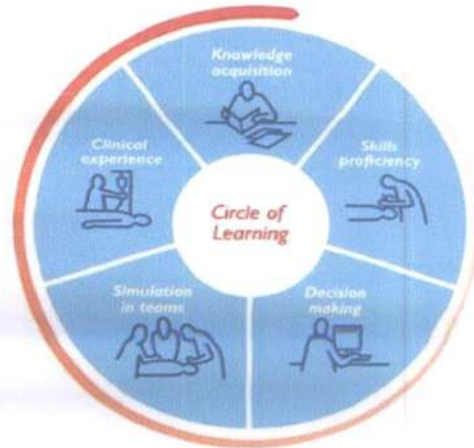

- Simulation is imitation or representation of one act or system by another in actual or probable real life condition
- A step between classroom instruction and actual clinical instruction
- Enhances and encourages learning and critical thinking

Comments from satisfied nursing faculty:

1. Faculty was able to encourage M.Sc students to incorporate Case study discussion into the seminar presentation since Dec. 2019.
2. Competency checklist was utilized in clinical teaching and demonstration of intubation procedure for M.Sc students in SICU.
3. Skill development sessions were planned for M.Sc students.
4. One of the faculty utilized the knowledge and skill learned in Simulation Based training for conducting University practical examinations for nursing students during the COVID-19 pandemic.
5. Became more confident in teaching students in classroom & clinicals.
