## VIRTUAL CAPACITY BUILDING PROGRAM FOR MIDWIFERY FACULTY

Organized by Indian Nursing Council & UNFPA

(Nominations are invited to participate in the below said training program)

We are pleased to inform you that the Indian Nursing Council in partnership with the UNFPA (United Nations Population Fund) is organizing a virtual capacity building program for the midwifery faculty in the Schools and Colleges of Nursing in India.

- Training objective:** The capacity building program prepares faculty to
- Enhance the teaching and training skills of the faculty teaching midwifery at schools and colleges of nursing.
  - Update their knowledge based on the government of India guidelines on maternal and newborn health, family planning services, adolescent health and gender based violence.
- Training plan:** Six days virtual program with 3 hours sessions on Zoom platform each day
- Topics covered:** Educational methodology and latest educational technology, midwifery education and practice concepts, maternal health programs of Government of India, evidence based midwifery care, contraception and family welfare services, gender based violence, adolescent and young people's sexual and reproductive health.
- Participants:** Three to four Nursing faculty from each institution who are involved in teaching of OBG nursing, Obstetrics or Community health nursing in GNM/ B.Sc (N) can participate. Preference is given for OBG faculty.  
Clinical nurse midwives working in the maternity unit of affiliated hospitals can also participate.
- Certification:** Certificate of completion with 15 CNE credit hours will be provided to participants who have full attendance and who score 70% marks in the post test and assignment evaluation.
- Training fee:** Completely FREE

Herewith we have enclosed the list of the dates of the training. We would appreciate if you can choose your convenient slot (date & time) and send us the details of the participants as per the format below to [training@nncindia.org](mailto:training@nncindia.org) at the earliest. Slots will be allotted on a first come first serve basis. Maximum number of participants is 250 in each batch. If the requested slots are full, different slots would be allotted automatically. Once the dates and slots are confirmed, you will receive a confirmation mail and the link for registration.

PUNJAB, LUCKNOW-226019

## TRAINING OF TRAINERS ON SIMULATION BASED TRAINING

### National Reference Simulation Centre (NRSC) :

The NRSC was established in October 2018 by Terns Partner collaboration between Indian Nursing Council (INC), Jipmer, Laerdal and SGT University with the vision of implementing inter-professional education in the State of the Art simulation centre through simulation based education. It has been developed to support the clinical parts of all the 4 years of B.Sc Nursing curriculum- Nursing Foundation, Medical Surgery I and II, Child Health Nursing, OBG Nursing and parts of the Community Health Nursing.

### Simulation Based Education:

- Simulation is imitation or representation of one act or system by another in actual or probable real life condition
- A step between classroom instruction and actual clinical instruction
- Enhances and encourages learning and critical thinking

## CIRCLE OF LEARNING:

- It's a Systematic method to acquire and maintain competence
- Bridge between knowledge and clinical practice
- It has five components
  - Knowledge acquisition
  - Skill proficiency Decision-making
  - Simulation in teams
  - Clinical experience

## Thematic areas and skills covered

**Training fee:**

**Rs. 48,000/-** (including training fees, boarding and lodging, excluding travel).  
Training fee is sponsored by IMC for two faculty from an institution/self.  
Non-faculties from an institution can be sponsored by their own institution.

**Comments from satisfied nursing faculty:**

1. Faculty was able to encourage M.Sc students to incorporate Case study discussion into the seminar presentation since Dec. 2019.
2. Competency checklist was utilized in clinical teaching and demonstration of simulation procedure for M.Sc students in SICU.
3. Skill development sessions were planned for M.Sc students.
4. One of the faculty utilized the knowledge and skill learned in Simulation Based training for conducting University practical examinations for nursing students during the COVID-19 pandemic.
5. Became more confident in teaching students in classrooms & clinics.

- a. Coordinate with the institute to align on the learning needs of the students and plan for appropriate on the job training
- b. Monitor the students' progress and report any issues with any individual students back to the institute
- c. Provide experience certification to the students based on their time spent and work at the hospital
- d. The hospital may consider to provide job offers to such students as they see fit based on their performance during the time at the hospital, upon successful graduation

#### 5. Non-Financial:

This would be a non-financial MoU between both the parties, with the sole purpose of improving the practical skills of the nursing and paramedical students to make them more industry ready

#### 6. Duration:

This MoU will come into effect from the date it is signed and shall be valid for a minimum period of 1 year. The MoU both in its scope and period may be extended on mutual consent as required

#### 7. Termination:

Either party can terminate the MoU by giving a maximum of 3 months' notice period. Termination may only be considered after all other efforts in good faith have failed to resolve any issues or concerns, and the same has been communicated in writing to other parties.

#### 8. Miscellaneous:

If at any time during the continuance of this MoU, the performance in whole or in part by any of the parties is prevented or delayed by reason of the occurrence of force majeure such as act of God, pandemic, epidemics, quarantine regulations, flood, earthquake, fire, explosion, war, civil disturbance, insurrection, embargo, riots, lockouts, labour disputes or other event beyond the reasonable control of the party concerned, then the obligations of such party shall be suspended for such period as such force majeure event may subsist, upon notice of such eventuality being given by the affected party to the other party within 15 days from the date of occurrence thereof.

Neither party shall assign this MoU without the prior written consent of the other party. This MoU contains the entire understanding and agreement between the parties with respect to the subject matter contained herein, and no waiver or amendment of any of the provisions shall be binding on the parties unless confirmed in writing. This MoU may be executed in counterparts, each of which shall be deemed an original but which together shall constitute one and the same instrument.
