Dear Sir/Ma'am,

I hope this message finds you well. I am writing on behalf of Chandan Group, a renowned organization committed to fostering academic and professional growth. We have been consistently contributing to the development of skilled professionals across various domains. Understanding the importance of providing students with ample opportunities to kick-start their careers, Chandan Group is interested in collaborating with Baba College of Nursing to conduct a Placement Drive for students pursuing different courses at your esteemed institution. We believe that such initiatives not only benefit the students but also strengthen the ties between educational institutions and industry leaders.

The primary objective of the Placement Drive is to bridge the gap between academy and industry by facilitating the recruitment of talented individuals who have acquired relevant skills during their academic journey. We propose to include students from various courses such as Healthcare and Nursing. This diverse approach ensures that companies participating in the Placement Drive have access to a broad spectrum of skilled candidates.

Companies associated with Chandan Group will participate in recruitment drives, conducting interviews and assessments to identify potential candidates for various roles. The Placement Drive will offer a platform for students to network with industry professionals, fostering valuable connections for their future careers. We propose to collaborate on scheduling, logistics, and any other necessary arrangements to ensure the smooth execution of the Placement Drive.

If you find this proposal aligning with the vision and goals of Baba College of Nursing, we would be delighted to discuss the specifics of the collaboration further.

Kindly let us know a convenient time for a meeting or call to explore this opportunity in more detail.
