VIRTUAL CAPACITY BUILDING PROGRAM FOR MIDWIFERY FACULTY

Organized by Indian Nursing Council & UNFPA

(Nominations are invited to participate in the below said training program)

We are pleased to inform you that the Indian Nursing Council in partnership with the UNFPA (United Nations Population Fund) is organizing a virtual capacity building program for the midwifery faculty in the Schools and Colleges of Nursing in India.

Training objective:	The capacity building program proposes faculty to <ul style="list-style-type: none">• Enhance the teaching and training skills of the faculty teaching midwifery at schools and colleges of nursing.• Update their knowledge based on the government of India guidelines on maternal and newborn health, family planning services, adolescent health and gender based violence.
Training plan/ Topics covered:	Six days virtual program with 3 hours sessions on Zoom platform each day. Educational methodology and latest educational technology, midwifery education and practice concepts, maternal health programs of Government of India, evidence based midwifery care, contraception and family welfare services, gender based violence, adolescent and young people's sexual and reproductive health.
Participants:	Three to four Nursing faculty from each institution who are involved in teaching of OBG nursing, Postpartum or Community health nursing in GNM/ B.Sc (N) can participate. Preference is given for OBG faculty. <u>Clinical nurse midwives working in the maternity unit of affiliated hospitals can also participate.</u>
Certification:	Certificate of completion with 15 CNE credit hours will be provided to participants who have full attendance and who score 70% marks in the post test and assignment evaluation.
Training fee:	Completely FREE

Herewith we have enclosed the list of the dates of the training. We would appreciate if you can choose your convenient slot (date & time) and send us the details of the participants as per the format below to traininginc.unfpa@incpn.org at the earliest. Slots will be allotted on a first come first serve basis. Maximum number of participants is 250 in each batch. If the requested slots are full, different slots would be allotted automatically. Once the dates and slots are confirmed, you will receive a confirmation mail and the link for registration.

Director General of Nursing Education, India

TRAINING OF TRAINERS ON SIMULATION BASED TRAINING

National Reference Simulation Centre (NRSC) :

The NRSC was established in October 2018 by Tripartite collaboration between Indian Nursing Council (INC), Jipmer, Laerdal and SGT University with the vision of implementing inter-professional education in the State of the Art simulation centre through simulation based education. It has been developed to support the clinical parts of all the 4 years of B.Sc Nursing curriculum- Nursing Foundation, Medical Surgery I and II, Child Health Nursing, OHG Nursing and parts of the Community Health Nursing.

**Building
competency**

**Expose
students to
live patients**

**Provide
maximum
exposure**

Challenge

**Students make
mistakes
while learning
Risk to the
patient**

Simulation Based Education:

- Simulation is imitation or representation of one act or system by another in actual or probable real life condition
- A step between classroom instruction and actual clinical instruction
- Enhances and encourages learning and critical thinking

CIRCLE OF LEARNING:

- It's a systematic method to acquire and maintain competence
- Bridge between knowledge and clinical practice
- It has five components
 - Knowledge acquisition
 - Skill proficiency Decision making
 - Simulation in teams
 - Clinical experience
