## ANNUAL REPORT (2020-2021)

### Introduction

Like every year, Baba Educational Society Institute of Paramedical College of Nursing started the session 2019-2020 with aim of "Uplift the medical education among females and rural background".

### Academic Excellence

This year Baba Educational Society Institute of Paramedical College of Nursing offered new post graduate M.Sc. Nursing (2 years) programme along with B.Sc. Nursing (4 years degree program), GNM (3 years diploma course) and ANM (2 years certificate course). We can currently train 80 M.Sc. Nursing, 320 B.Sc. Nursing, 120 ANM and 180 GNM students. Every year, we produce 80 B.Sc. Nursing, 60 GNM and 60 ANM best professional nurses in whole state.

We maintained the staff student ratio 1:10 as per the Indian Nursing Council norms. All the departments headed by Professors and supported by Associate professor, Assistant professor and Nursing Tutor. College had given importance to student centric teaching and learning method. Practical orientation and training was conducted by using various simulators in laboratory. Baba hospital is a main source of knowledge where the students learn the real life scenario, so, students were posted for the same. Our Library was equipped with books of latest edition with online journals. Also, Wi Fi service was provided to students.

## Feedback from Students

Our college provides a feedback form to all students whose course was completed. Feedback form helps management to understand regarding teaching standard and other aspects of making our institution a better place for gaining knowledge.

## Achievements

Students have secured the first and various prizes in quiz competition conducted by Hope Initiative during the Hepatitis day celebration.

During Covid 19 Pandemic, our college conducted daily online classes and all study material was provided through an online medium. Teachers worked hard during a pandemic and also visited the college whenever needed.

Various extension and outreach activities were conducted.

Established MOU with various governmental and nongovernmental universities and colleges.

## Future

College is working to get accreditation from NAAC and planning to start NSS and NCC in the following year.

## Conclusion

We are thankful to almighty God for his guidance and blessing in this academic year. We would like to thank our Director Mr. R. K. Vajpayee, Principal, all Heads of the departments and every staff for their continuous support, dedication and encouragement for better functioning of our college.
