Ref. No. 2381/23

Date 21/03/2023

To,
Principal,
Mentor Institutes

Dear Sir/Madam,

Greetings!

You are aware, that one of the important interventions of Uttar Pradesh's Mission Niramaya is to improve the healthcare workforce in the state by enhancing the quality of education of nursing and paramedical institutes through mentoring. In the first phase of the mission, 12 institutes were selected as mentor institutes. They were imparted training on how to mentor other institutes who were seeking to improve their standards of nursing education of their institute.

On March 25th, 2023 we are organizing a formal event, "Leading the Charge: Uttar Pradesh's Mission Niramaya Innovates to Transform Future Healthcare Workforce in India," in Lucknow. The event will mark the initiation of a Quality Improvement Process for the newly onboarded mentee institutes by the 12 mentor institutes of Uttar Pradesh.

The occasion will be graced by the presence of President INC, Dr. T. Dileep Kumar, ADG Nursing, GOI, Ms. Achala, and Advisor Nursing, GOI, Dr. Deepika Khakha, and other dignitaries. Principal Secretary Medical Education, Uttar Pradesh, Shri Alok Kumar, has consented to be the chief guest.

This event will provide an excellent opportunity to learn from experts in the field about the latest developments in the field of nursing education and gain insights into the challenges and opportunities that exist.

The pre-lunch program will see an overview of Mission Niramaya and the progress achieved thus far. This session will be attended by key medical professionals, medical institutes, health departments, and important people in the community.

The post-lunch program would entail an experience sharing, learning, and a brainstorming workshop. In this session, the mentor institutes will share their experiences, the challenges they faced, and the steps to overcome them, as also their success stories. The aim is to facilitate learning from each other's experiences and build a robust pathway to take the mandates of Mission Niramaya Forward.

We request your and one of your mentor's presence on the occasion. A detailed program schedule is attached for your reference. We encourage you to attend the entire event to take full advantage of the sessions and networking opportunities.

We look forward to seeing you there and hope that you will take this opportunity to build new relationships and enhance your knowledge. Please feel free to call Adi Hadimani on +91 96861 87414 or Dr. Neetu Devi on +91 87561 36963

Secretary,
U.P. State Medical Faculty

Program Outline

Leading the Charge: Uttar Pradesh's Mission Niramaya Innovates to Transform Future Healthcare Workforce in India

Date: 25th March 2023 | Time: 10am onwards

Place: Lucknow | Venue: Hilton Garden Inn

Expected Outputs

By the end of workshop, the participants will be able to:

1. Recall the mandates and progress of Mission Niramaya
2. Identify the Challenges, Opportunities in the Nursing and Paramedical fields
3. List Policy Level Measures of the Government of India impacting the Sectors
4. Gain tangible insights from the experience sharing by representatives of GOI, Jhpiego
5. Learn about the Competency Based Learning Pathways for Nurses in UP
6. Mentor and mentee institutes will be able to develop mutually acceptable Terms of Reference for a productive partnership to improve Nursing, and Paramedical Education in Uttar Pradesh

Dear All,

It has come to our attention that in order to keep up with the performance standards and to efficiently and effectively conduct quality improvement processes in their own and attached mentee institutes, a few Mentor Institutes wish to train newly identified mentors and expand their 'mentor pool' as many of the earlier trained mentor/s have either moved on or need additional support. Few institutes also wanted to understand the certification modalities of a Mentor. UPSMF acknowledges and appreciates your need and the desire, dedication and commitment to improving pre-service nursing education.

Keeping UPSMF informed, you may nominate 2 additional 'Mentors' who have shown their willingness to contribute with time and effort for the same, are ready to travel as needed, and extend their participation based on the needs of the mentorship process. You are requested to ensure that the mentor should also demonstrate a sense of commitment, passion, and interest for the same to support the management in executing the tasks of the mentor institutes.

The mentors must undergo and fulfill the following requirements in order to be certified as a "Mentor";

Complete Pragati, Teaching Learning Process, and Clinical & Community Practice Processes training and also demonstrate understanding on nursing education quality improvement process and implementation of performance standards. For the same, earlier UPSMF provided support. For additional mentors' capacity building, the Mentor Institutes can now build the capacities through their mentor or seek the support of UPSMF in conducting the training for which the institute has to bear the cost of travel, lodging, training venue, lunch and other logistics. (UPSMF has planned training in the month of September-2023, the Mentor Institutes who wants additional Mentors, send your nomination on or before 31st August-2023).

1. For certification, mentors have to successfully complete supportive supervision of at least 2 Mentee Institutes, which include:
 - a. Mentee Institutes onboarded
 - b. Performance standards orientation, conduct baseline assessment and prepare action plans for mentee institute
 - c. At least 2 faculty members in Mentee Institute trained as prospective mentors for Mentee Institute
 - d. 85% of faculty of at least 2 Mentee Institutes achieve teaching, demonstration and coaching skills
 - e. Successful completion of Supportive Supervision of at least 2 Mentee Institutes
