To
Principal,
Medical College,
Lucknow,
Dear Sir/Madam,

Greetings!

You are aware, that one of the important interventions of Uttar Pradesh's Mission Health is to improve the healthcare workforce in the state by enhancing the quality of education of nursing and paramedical courses through mentoring in the first phase of the mission. 12 institutions were selected as mentor institutions. They were supported through various in-house mentorship activities and were making to improve their standards of nursing education of their students.

In March 2023 we are organizing a formal event, "Leading the Charge: Uttar Pradesh's Mission Health's Commitment to Transform Future Healthcare Workforce in India," in Lucknow. The event will mark the initiation of a Quality Improvement Process for the newly selected mentor institutions by the 12 mentor institutions of Uttar Pradesh.

The occasion will be graced by the presence of President, Mr. Dr. P. Shankar Kumar, IAS, Member, GOA, Mr. Acharya and Advisor Nursing, IAS, Dr. Swagata Chakrabarti, and other dignitaries. Principal Secretary Medical Education, Uttar Pradesh, Shri. Manoj Kumar, has requested to be the chief guest.

This event will provide an excellent opportunity to learn from experts in the field about the latest developments in the field of nursing education and gain insights into the challenges and opportunities that exist.

The post-event program will see an address by Mission Health and the program continues that for this occasion will be attended by key medical professionals, medical students, health departments and regulatory bodies in the community.

The post-event program would entail an awareness sharing, learning, and a brainstorming workshop in the evening. The mentor institutions will share their experiences, the challenges they faced, and the steps to overcome them, as also their success stories. The aim is to facilitate learning from each other's experiences and build a robust pathway to take the numbers of Mission Health's forward.

We request your kind and full support in this regard. A detailed program schedule is attached for your reference. We encourage you to attend the event and to take full advantage of the various and interesting opportunities.

We look forward to seeing you there and hope that you will take this opportunity to build new relationships and enhance your knowledge. Please feel free to call Mr. Padmanabhan on 0522-228844 or Dr. Ananta Das on 0522-228844.

Dr. Ananta Das
Principal, Medical College
