Good teaching
It's helpful

Use labs course completely teached. Teacher take responsibility

Not any suggestions

We want more lab/ practical experience

None

Everything is excellent 👍👍

1. They have to encourage us .
- 2.They have to focus on all students not only on front benchers.
- 3.And last one is improvement in communicating and teaching.

Please complete Syllabus

Teacher should explain most of the topics practically.

Give few more time to explain, some topic needs more time ,explain few things is needed in ease language

Every thing is best

Everything is best

Good 👍

Provide knowledgeable and Experienced teacher

No any suggestion

Good ,yes

I dont have any suggestion

No suggestion

- 1-All faculty always use projector for teaching.
- 2-Proper seating arrangement.
- 3-All teachers are supportive .

Timely complete syllabus clinical posting regarding the subject and promoting the lab procedure according to the subject

Knowledge and skills of the teachers and their problem solving skills that makes the teaching is good

LCD projector, in extracurricular activities,soft skills

Multimedia, innextracurricular activities,soft skills

Always good

Required more equipment for lab purpose

good

Good quality of teaching

Teaching learning process is very good

All good ok and fine

Need explain

Councilling Is most important for students between a teacher and principal...for the improving the learning quality and way of teaching of teachers and what kind of activities related to our syllabus or subject should be improve and what kind of things should be change or remove.

Excellent

Very good

Try to reach every student and ask for their doubts. Make teaching a two way interaction

Teaching experience in our institute is already excellent.

Very good 🍀

- 1.Provide us proper thorough revision of the course.
- 2.Complete syllabus on time.

3. Provide us clinical duty in starting of the session so that we could complete our assignments and clinical requirements on time .

Everything is fine no need to say anything

All Procedures should be done by individually
Teacher should be used speaker for audible voice

Focus on the study and without compare ANM, GNM, and BSC nursing

No any suggestions

There is no any suggestions

College is going on properly but it should improve in extraordinary curriculum and practical learnings

No suggestion required for teaching.
Teachers are very skillful and supportive.
Teaching content and demonstration methods are very helpful.

...

All is good

Not any

There is no any improvement needed

Provide better light facility
Proper projecter
Proper hygiene

Excellent outcome

Improve the quality of teaching before allot the topic or units to the teacher, plzz check the knowledge about that particular topic or units,
2. Involve all the students present in the class, not only few students in discussion to whom teacher know very well
3

No have any suggestions

Read the topic very well plz explain the diagram on the white board clearly
