CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum planning, delivery and evaluation through a well defined process as prescribed by the respective regulatory councils and the affiliating University.

The college follows the curriculum prescribed by the Indian Nursing Council, New Delhi in consideration with the Ram Manohar Lohia Awadh University, Faizabad and Atal Bihari Vajpayee Medical University, Lucknow.

Planning

The planning session starts in September which begins in October and is planned for 52 weeks. Master rotation plan(MRP), Clinical rotation Planning (CRP), coordinators of each course year-wise, Subject In charge and Lab In charge are discussed and assigned among the faculty members. The class coordinators prepare the course plan. The subject in charge does workload distribution and plans units. The lesson plan is prepared by the faculty individually as the unit distribution.

Delivery

The monthly timetable is formed by class coordinators and is approved by the Principal and distributed in classes. The academic coordinator assesses the timetable and completion of the syllabus on time.

Evaluation

Every student is evaluated with 100 marks, 25 Internal and 75 external in theory papers. Internal Evaluation is done by 2 term examinations, 1 Pre-university examination, 2 assignments, 2 presentations, attendance and discipline.

In Practical examination, Internal examination and University Examination are 50% each. Makeup duty is planned in a vacation if attendance is short.

2.5 - Evaluation Process and Reforms

2.5.1 - The Institution adheres to the academic calendar for the conduct of Continuous Internal Evaluation and ensures that it is robust and transparent

The Academic Calendar of the Institute is strictly adhered to during the creation of the annual lesson plan for M.Sc. Nursing, BSc. Nursing, GNM and ANM courses. Every hour and tenure as defined by Indian Nursing Council in its guidelines is considered during the initiation/dispersal of classes, preparatory leave, and conduct of practical and theory examinations. Evaluation of students is done in a continuous mode during the academic session through diverse methods which allow students to fortify their strengths and take remedial measures to overcome their weaknesses under faculty

supervision.

The annual calendar and lesson plan is created and approved for all courses under the chairmanship of the Academic and curriculum planning committee and the implementation of the calendar is taken care of by its periodic meetings and Incharges as designated from time to time for each course.

Provide a description on Grievance redressal mechanism with reference to continuous internal evaluation, matters relating to University examination for submission of appeals, providing access to answer scripts, provision of re-totaling and provision for reassessment within 100 - 200 words

The institute offers full support to the students in concern and subject of grievances concerning examination and evaluation both internal and external.

A grievance concerning internal evaluation and assessments is undertaken through the 'Student complaint and grievance redressal Cell' through proper channels of communication with the first point of contact being the Class Coordinator while the last being the Managing Director. The students and teachers are supported by the Grievance officer and principal in all phases of the grievance management procedure.

The external grievance is addressed as per the policies of the university via an online portal where students can create their user ID and log in and directly file the complaint to the university. The approvals and sanctions by the institution are taken care of by the institution in this regard and the dates and timelines as defined by the university are intimated to students from time to time via

circulars, WhatsApp messages, and verbal communications.

7.2 - Best Practices

7.2.1 - Describe two Institutional Best Practices as per the NAAC format provided in the Manual (Respond within 100 - 200 words)

BEST PRACTICE- 1: Mentorship Program

Objectives: To strengthen the health care system with quality enhancement.

The Practice: -

- As a part of the programme, two faculty members of each of the institutes will be trained on effective teaching skills and clinical skills standardization by State Medical Faculty and its technical partners.
- Under this program, six sections were created to strengthen the healthcare system.

1: College Infrastructure and Training Materials

2: College Management

3: Classroom and Practical Instruction

4: Preparation for clinical and community Practice and instruction

5: Clinical areas where student nurses undertake clinical Experience

6: Community area where student nurses undertake community experience

BEST PRACTICE-2: Free health camp for remote communities

Objectives: To provide basic health services and create awareness among underprivileged & deprived populations.

Context: These medical camps provide the poor population with overall physical examinations which include eyes and health check-ups, and assessment of the functioning of vital organs like the heart, lungs, etc. Free medical camps are extremely helpful for the poor population who earn income and cannot afford expensive healthcare services offered by hospitals or clinics.

The Practice: Students, as well as faculty members from the institution, take part in setting up these free health camps.

- **Counseling and admission of the rural population of Children:** During the initiation of various sessions, camps and awareness programs are organized at the nearby villages to spread awareness among the future career options in the field of Medical for the female population of the village. Public display of the same is performed through the help of hoarding, pamphlets and counseling cells by helpline numbers.
- **Serving the rural community by services offered by teaching Hospital:** Most of the patient footfall reflects the gain and attainment of Healthcare services to the rural population at much-discounted rates. The institute has a 24-hour ready ambulance service to take care of any healthcare. Emergency is

quite popular among the nearby rural areas.

- **Community outreach programs:** Various community services like awareness campaigns etc along with free Healthcare camps are being organized by the Institute for free checkups.

In this way, Baba has been strengthening and bridging the gap between the urban and rural areas of the state and serving with distinctiveness.
