No it's Very good

Don't have any suggestions everything is good and well

Clinical and will

I am sacrificing

All good

Every thing as well

very good

All is very good

There is my college is beautiful

No other suggestion

Teaching skill is very good

Yes

Please enhance more

College facilities are well, and teaching method are also well

Nothing is much satisfactory..

The teachers explain very well

College facilities are well and teaching methods are also very well

Suffocation problem is too much in lab...kindly arrangement of ventilation

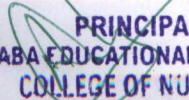

Allmost all are good

College facilities are very good and teaching methods are very well

Not at all

Apply the course book of best established medical publications throughout in each and every institutions compolsorily.

We want more clinical posting

Priorly information should be given to students about any activities being planned at college ( For example information regarding holydays or programs)

Clinical posting should be increased. It is not sufficient.

Something is right but I think clinical work increases and increase the lab work

My college is very good

No need for any suggestions

Pushpa

please provide best teacher for subject and syllabus will completed on time

T

No thanks

Please explain the every procedure in lab to provide more knowledge and practice.

No everything is excellent

Teaching skills is good

Be positive about the student's prospect's if they put in the work hard to improve

no

Every thing is alright as per needed

All over good

Excellent faculty

Over all is good

Over all good

All good 👍

Teachers is very helpful and clinical practice is good my baba college is number one medical College
